

City Loan Review Committee – Guidelines

1. Eligible loan applicants are new or existing businesses located within the city of Rice.
2. Applicants must be in compliance with local government zoning codes as well as all other local, state, and federal laws applicable to them.
3. Job creation is a priority of the program. Loans in excess of \$25,000 need to comply with the State of Minnesota's Guidelines for job creation.
4. The impact which the applicant's investment has upon the community will be a consideration of funding. (i.e. tax base, business retention, new service, capital improvements, etc.)
5. Borrowers may use the funds for fixed assets purchases or working capital. Interest rates for working capital may be higher, depending on collateral.
6. The Rice Loan may provide up to 45% of the total project cost and not to exceed \$100,000.
7. A financial institution must be involved in the development project.
8. Loan terms are structured based on the size of the loan and the assets being financed, in no case shall the loan extend over a period of seven (7) years.
9. The city requires full collateral coverage on loans. Second security or subsequent interests positions are accepted as warranted.
10. Personal Guarantees are required from the borrowers.
11. Interest rates are fixed and will be below the participating banks interest rate. Each project is evaluated separately on collateral, nature of the risk and length of loan. Periodic reviews of the rates are conducted to ensure the City's economic development fund and program objectives are being met
12. Applicants must complete the loan application and provide all requested supporting documentation to the City Loan Review Committee no later than (1) week prior to the review meeting. The Loan Review Committee will make a recommendation to the Economic Development Committee who will then make a recommendation to the City Council for final approval.
13. Borrowers will be responsible to pay a non-refundable \$45.00 application fee, a 1% origination fee at loan closing and all legal and recording costs incurred by the originator.
